## MEDIA KIT

What does it mean to live a good life? What is true happiness? What are the habits, practices, and dispositions that facilitate human flourishing? Professor **Lee C. Camp** brings you conversations with those who are taking these questions seriously. On No Small Endeavor, you'll hear from best-selling authors, scientists, artists, psychologists and theologians —courageous, impassioned people taking seriously the question of how to live a good life.

**No Small Endeavor** is a podcast and public radio show distributed nationally by PRX and funded by the John Templeton Foundation and Lilly Endowment Incorporated. The show began in Nashville as "Tokens Show" in 2008, with quarterly live stage shows exploring theology, social ethics, and human flourishing.

Striving for a good life is No Small Endeavor, and we're here with you on the road.
